

WESTLAKE ADVERTISING AGENCY

EDGE DESIGNWORKS

from
concept to completion

since
1976

You need the very best advertising and promotional materials to sell your product or service and make your business grow. What's more, you want this done consistently, efficiently and in the most cost-effective way possible. Since 1976 Westlake Advertising Agency has done just that for a wide variety of clientele.

We don't consider ourselves just creative directors, graphic designers, copy writers, production pros, webmasters, photo directors, pre-press experts, etc. **We are advertisers.** . . . trustworthy, seasoned professionals who have mastered all the disciplines necessary to propel our clients forward and become the very best they can be.

Give us a try. Let us become your personal advertising department. Discover the difference our loyal, hard working professionals can make to your bottom line.

We live for this business. We love what we do. We have the talent, the experience and the track record. We will fight for your company in the world arena as hard as if it were our own. We are exactly what you need to succeed.

Going with the best doesn't have to cost a lot of money.

At Westlake Advertising you get cutting-edge design at exceptional prices, due to the efficiencies achieved by our dedicated pros.

Whether it's a simple name change on a business card or a full blown advertising program, it's your business.
